## SURVEY TO IDENTIFY BENEFICIARIES

NECDO recruited the survey and scope teams upon agreement with WFP representative from January 01 of 2023. The survey team asked the focal points, community leaders (Wakil-e-Guzars), and Mullah Imams to provide us with the list of vulnerable families. As soon as lists were gathered, the team started the survey and each day approximately 1,000 families were surveyed and the selected numbers of families were given Tokens for the Scope process. In total 9,000 households were surveyed out of which 8,750 families were given tokens and scoped, and planed cash distributions for 6 Months for the months of January to June 2022.

## CRITERIA FOR BENEFICIARY SELECTION

## SCIENTIFIC TOUR OF #NECDO EMPLOYEES TO NANGARHAR

Scientific tour of the employees of #NECDO in the beautiful province of Nangarhar.

The purpose of this trip was to the spirit of teamwork among the employees of the #NECDO. NECDO always pay attention to the mental health of their employees and among pressures and suffering they need to enjoy their free time and recover their health and serve better people.

## DISTRIBUTION OF JUMPERS AND SHOES FOR ADDICTS

Since the Islamic Emirate of Afghanistan had collected drug addicts from all over the country and transferred them to the 1000-bed hospital in Kabul, and these drug addicts were in dire straits, NECDO and AWPFO cooperated for 3000 addicts, provided and distributed jumper and shoe.

Addicts are a part of our society and they need encouragement to get rid of their addiction and we are responsible to work to get rid of their addiction so that they can return to the arms of their families.
